Dear Sir:

We regret to inform you that we are unable to complete your order:- Miller-Ryder, "The State Coinage of New England", is being forwarded to you under separate cover, but we are unable to include "Exhibition of U. S. and Colonial Coins". This is out of print. May we suggest that you try getting a copy from Guttag Bros., 42 Stone Street, New York City. Our last copies went to them and there might still be one available. A refund of one dollar is enclosed.

Very truly yours,

AMERICAN NUMISMATIC SOCIETY
